HOW TO PLAY

TAP 'N PLAY CABINET BREAK OPEN TICKET GAMES

TOOLS TO PLAY

TAP 'N PLAY CABINET BREAK OPEN TICKET GAMES

THE OBJECT OF THE GAME

TAP 'N PLAY Cabinet Break Open Ticket Games are a modern electronic version of paper-based break-open tickets. They are single-player cabinet games where the object of the game is to hit a winning combination of symbols on a ticket. All you have to do is insert your cash or voucher, tap the "PLAY" button and watch the outcome come to life on screen. That's how easy it is to play TAP 'N PLAY Cabinet Break Open Ticket Games for a chance to win instant cash prizes.

5 STEPS TO PLAY

1. START WITH A GAME PLAN

This includes setting a time and money budget – and sticking to it!

2. CHOOSE A GAME

There are different types of TAP 'N PLAY Cabinet Break Open Ticket Games, based on different bet options:

SINGLE PRICE:

These games offer only one bet amount per play.

MULTI-PRICE:

These games offer a choice of three to five different bet amount options.

PROGRESSIVE FEATURE:

Some single price and multi-price games offer a growing jackpot, also called a progressive jackpot. To win this jackpot on multi-price games, players must bet on the **maximum bet amount**.

3. KNOW WHAT YOU'RE PLAYING FOR

Check the RULES section on the device to learn about the prize amounts, symbol combinations, and any bonus or extended play features. The RULES button is found on the game's main screen.

4. PLAY!

- A) Add your cash or voucher to the device.
- B) Select your bet, which can range from 40¢ to \$2.00 per play (Note that this range can change.)
- C) Tap "PLAY"!

5. CASHING OUT

Had enough fun? Simply hit "cash out" and a voucher will be dispensed. You can then redeem it with a cashier or use it to play on other devices.

TAP 'N PLAY CABINET BREAK OPEN TICKET GAMES ARE UNPREDICTABLE

TAP 'N PLAY Cabinet Break Open Ticket Games are games based on pure chance – that's part of the thrill! There are no strategies to boost your odds of winning. That's because:

- TAP 'N PLAY Cabinet Break Open Ticket Games wins are predetermined, so it's impossible to predict when these wins will occur.
- No TAP 'N PLAY Cabinet Break Open Ticket devices are luckier, or more likely to win than others.

PLAYSMART TIP

Have a game plan before you play.
Start with a time and money budget.

ETIQUETTE

Ready to play? Although they don't increase your odds of winning, good manners make for a good game:

- Players sometimes save their TAP 'N PLAY Cabinet Break Open Ticket devices for a quick break. Only do this during less busy times and if the Centre's house rules allow it.
- Play only one device at a time.
- Only sit at a device if you're playing it.

ODDS

TAP 'N PLAY Cabinet Break Open Ticket Games odds vary from game to game. But the overall odds of winning any prize on any TAP 'N PLAY Cabinet Break Open Ticket Games are approximately from '1 in 2' to '1 in 3'. That means between one-half and one-third of all overall plays on a game will win some type of prize, but it doesn't mean you're guaranteed to win in 2 or 3 plays – you could play 3 times and win on all 3, win on none, or win on some. Every play is up to chance and unpredictable!

PLAYSMART TIP

No matter the odds of a game,
winning is never guaranteed.
